

**COUNTY OF SAN LUIS OBISPO
DEPARTMENT OF PLANNING AND BUILDING
STAFF REPORT**

Promoting the wise use of land

Tentative Notice of Action

MEETING DATE October 3, 2014 LOCAL EFFECTIVE DATE October 18, 2014 APPROX FINAL EFFECTIVE DATE November 7, 2014	CONTACT/PHONE Cody Scheel, Project Planner (805) 781-5157 cscheel@co.slo.ca.us	APPLICANT John Avrea	FILE NO. DRC2014-00005
SUBJECT A request by John Avrea for a Minor Use Permit / Coastal Development Permit to allow an existing single family residence to be used as a residential vacation rental. The proposed project is within the Residential Suburban land use category and is located at 1492 Valley View Lane, in the community of Los Osos. The site is in the Estero Coastal planning area.			
RECOMMENDED ACTION Approve Minor Use Permit / Coastal Development Permit DRC2014-00005 based on the findings listed in Exhibit A and the conditions listed in Exhibit B.			
ENVIRONMENTAL DETERMINATION A Class 3 Categorical Exemption was issued on September 5, 2014 (ED14-062).			
LAND USE CATEGORY Residential Suburban	COMBINING DESIGNATION Local Coastal Program Area, Coastal Appealable Zone, Archaeological Study Area	ASSESSOR PARCEL NUMBER 074-325-062	SUPERVISOR DISTRICT(S) 2
PLANNING AREA STANDARDS: None applicable <i>Does the project meet applicable Planning Area Standards: Yes – see discussion</i>			
LAND USE ORDINANCE STANDARDS: Local Coastal Program Area & Appeals to the Coastal Commission <i>Does the project conform to the Land Use Ordinance Standards: N/A</i>			
FINAL ACTION This tentative decision will become the final action on the project, unless the tentative decision is changed as a result of information obtained at the administrative hearing or is appealed to the County Board of Supervisors pursuant to Section 23.01.042 of the Coastal Zone Land Use Ordinance; effective on the 10th working day after the receipt of the final action by the California Coastal Commission. The tentative decision will be transferred to the Coastal Commission following the required 14-calendar day local appeal period after the administrative hearing. The applicant is encouraged to call the Central Coast District Office of the Coastal Commission in Santa Cruz at (831) 427-4863 to verify the date of final action. The County will not issue any land use permits prior to the end of the Coastal Commission process.

EXISTING USES: Single Family Residence	
SURROUNDING LAND USE CATEGORIES AND USES: <i>North:</i> Residential Single Family / Residences <i>South:</i> Residential Suburban / Residences East: Residential Suburban / Residences West: Residential Single Family / Residences	
OTHER AGENCY / ADVISORY GROUP INVOLVEMENT: The project was referred to: Public Works, Coastal Commission & Los Osos Community Advisory Council	
TOPOGRAPHY: Level	VEGETATION: Ornamental landscaping
PROPOSED SERVICES: Water supply: Private water purveyor – Golden State Water Co. Sewage Disposal: Individual septic system Fire Protection: Cal Fire	ACCEPTANCE DATE: August 15, 2014

DISCUSSION

The applicant is proposing to use an existing single family residence as a residential vacation rental. The residence consists of four bedrooms and a four car garage. The residential vacation rental is not to operate differently than a full time occupied single family residence; therefore conditions for operational standards have been added to this permit. Because these standards set parking requirements, limit the number of occupants and designate a 24-hour property manager contact, potential impacts can be avoided.

LAND USE ORDINANCE STANDARDS:

Section 23.01.043c(1) – Appeals to the Coastal Commission:

Appealable Development. As set forth in the Public Resources Code Section 30603(a), and this title, an action by the County on a permit application, including any Variance, Exception or Adjustment granted, for any of the following project may be appealed to the California Coastal Commission:

1. Developments approved between the sea and the first public road paralleling the sea, or within 300 feet of the inland extent of any beach or of the mean high tide line of the sea where there is no beach.

Staff Comments: The project is appealable to the Coastal Commission because the project site is located between the sea and the first public road paralleling the sea.

Combining Designations

Section 23.07.120 – Local Coastal Program Area: The project site is located within the California Coastal Zone as determined by the California Coastal Act of 1976 and is subject to the provisions of the Local Coastal Program.

Section 23.07.104 Archeologically Sensitive Area: The proposed project falls within the Archeologically Sensitive designation as delineated by the official maps of the Land Use Element. Before issuance of a land use or construction permit for development within an archaeologically sensitive area, a preliminary site survey shall be required.

Staff Comments: A preliminary site survey is not required because there will be no new construction or development.

Special Uses

Residential Vacation Rentals

Coastal Zone Land Use Ordinance section 23.08.165 governs the establishment of residential vacation rentals in the coastal zone. However, the standards set forth in this section only apply to the urban areas of Cambria, Cayucos and Avila Beach.

Staff Comments: The proposed project is located in the Community of Los Osos, therefore, the Residential Vacation Rental Ordinance standards do not apply. While those standards only apply to Zoning Clearances issued in Cambria, Cayucos and Avila Beach, they can be added to a discretionary permit if appropriate. The proposed residential vacation rental is not to operate

differently than a full time occupied single family residence; therefore conditions for residential vacation rental operational standards have been added to this permit. Because these standards set parking requirements, limit the number of occupants and designate a 24-hour property manager contact, potential impacts to surrounding property owners can be avoided. The proposed conditions of approval have routinely been added to other minor use permits for establishment of residential vacation rentals.

COASTAL PLAN POLICIES:

Following is a brief list of the Coastal Plan Policies (discussion of specific applicable policies following):

Shoreline Access: N/A
Recreation and Visitor Serving: ☒ Policy No(s): 1 & 2
Energy and Industrial Development: N/A
Commercial Fishing, Recreational Boating and Port Facilities: N/A
Environmentally Sensitive Habitats: N/A
Agriculture: N/A
Public Works: ☒ Policy No(s): 7
Coastal Watersheds: N/A
Visual and Scenic Resources: N/A
Hazards: N/A
Archeology: N/A
Air Quality: N/A

Does the project meet applicable Coastal Plan Policies: Yes, as conditioned

COASTAL PLAN POLICY DISCUSSION:

Recreation and Visitor Serving Facilities

The Coastal Plan policies for Recreation and Visitor serving uses are focused primarily on commercial recreational uses and commercial lodging facilities such as hotels, motels, bed and breakfast establishments and recreational vehicle parks. These are all classified as transient lodging in Coastal Zone Framework for Planning, Table "O". Residential Vacation Rentals are single family residences by design (or occasionally multi-family residences) and are listed in the Residential use group in Table "O". Although they do serve visitors they are sometimes rented by the month or not rented at all subject to the desire of the property owner. While Coastal Plan Policies generally encourage visitor serving facilities in certain circumstances, residential vacation rentals are not discussed.

Policy 1: Recreation Opportunities: Coastal recreational and visitor-serving facilities, especially lower-cost facilities, shall be protected, encouraged and where feasible provided by both public and private means.

Staff Comments: The proposed project supports this policy by creating visitor serving lodging opportunities within an existing single family residence. The existing residence is within close proximity to many recreational opportunities in the community of Los Osos. Such opportunities include Morro Bay State Park Beaches and Recreation Areas, Montana De Oro State Park, and other facilities for recreational uses. This project is consistent with this policy.

Policy 2: Priority for Visitor Serving Facilities: Recreational development and commercial visitor-serving facilities shall have priority over non-coastal dependent use, but not over agriculture or coastal dependent industry in accordance with PRC 30222. All uses shall be consistent with protection of significant coastal resources. The Land Use Plan shall incorporate provisions for areas appropriate for visitor-serving facilities that are adequate for foreseeable demand. Visitor-serving commercial developments that involve construction of major facilities should generally be located within urban areas. Provisions for new facilities or expansion of existing facilities within rural areas shall be confined to selected points of attraction.

Staff Comments: This project complies with this policy as it creates visitor lodging opportunities within the urban area of Los Osos and recognizes statewide priority to protect and enhance public opportunities for coastal recreation.

Public Works:

Policy 7: Permit requirements: A permit is required for projects within the coastal zone.

Staff Comments: The applicant is requesting approval of a Minor Use Permit / Coastal Development Permit, consistent with the requirements of this policy.

COMMUNITY ADVISORY GROUP COMMENTS:

The Los Osos Community Advisory Council unanimously recommended approval of the Avrea Vacation Rental with the following recommended conditions:

1. That there are no more than 10 renters at a time.
2. That the property owners remain in the residence at least 6 months of every year.

Staff Comments: In regards to the recommended condition #1, the proposed residential vacation rental is conditioned to meet the typical residential vacation rental ordinance standard of not exceeded two persons per bedroom plus two additional persons, or ten persons total. In regards to the recommended condition #2, the County ordinance does not enforce owner occupancy time limits for residences.

AGENCY REVIEW

Public Works – No concerns

LEGAL LOT STATUS:

The existing lot was legally created by a recorded map (CO 95-055) at a time when that was a legal method of creating lots.

Staff Report prepared by Cody Scheel and reviewed by Bill Robeson.
